**For the attention of the owner/occupier**

Dear Neighbour,

**Congleton Link Road - Notice of ground improvement works**

As the Principal Contractor working with Cheshire East Council on the Congleton Link Road project, we would like to inform you we will be undertaking critical ground improvement works to enable the construction of the new mainline between Manchester Road and Macclesfield Road.

Part of these works involves a specialist machine carrying out a process called Rapid Compaction to a section of the site. This involves taking the ground from its current state to a compacted platform ready for future construction works to take place. The works have been flagged as a high noise level activity which means some disturbance is unavoidable.

**Important information about rapid compaction works**

To minimise the effect of noise on our neighbours we have condensed the programme for the Rapid Compaction element of the works. The works will take place from **Thursday 28 May** until **Friday 5 June**. Please note the works are subject to weather conditions and any changes in Government Covid-19 restrictions.

**Covid-19 Safe working practice**

Throughout this Covid-19 pandemic, we have taken practical steps, and implemented robust measures, to ensure the welfare of our employees, sub-contractors, partners and the public.

In line with government, public health, and industry guidance, we have reviewed the working operations across our sites including the Congleton Link Road project. Our sites are rigorously adhering to social distancing regulations, and daily briefings are being conducted to highlight and reinforce, safe working procedures.

We would like to thank you for your patience while we deliver this infrastructure programme.

We will continue to communicate and engage with you during the works to ensure that any inconvenience is kept to a minimum.

GRAHAM is a trading style of the GRAHAM Group.

The GRAHAM Group comprises the following companies: John Graham Holdings Limited (Registered Number NI 57921); John Graham Construction Limited (Registered Number NI 3503); Graham Investment Projects Limited (Registered Number NI 71467); Graham Asset Management Limited (Registered Number: NI 71100).
